POST COMMANDER'S MESSAGE

Comrades,

I hope everyone is staying warm this winter as the temperature has been crazy cold lately. I attended the CofA in January and as you can imagine there were several topics spoken about but two that I want to really bring to your attention. One is membership and the other is the wildfires in California. Our numbers are slowly declining, and we must try to bring those who left back into the fold and recruit new members.

Obviously, it goes without saying that the fires in California have been devastating, and our fellow American are in dire need out there. I am hoping to raise and donate some money for the VFWs out there. At the C of A, the Department voted to donate money to the Department of California, and I would like us to do the same.

After the Cof A, Jr Vice Plante and I attended the Scholastic Banquet to honor those students and teachers. Our Post's selection, Maria Dominguez Diaz, won this year's Teacher of the Year award. We will be honoring her, our First Responders and students at our Loyalty Day Celebration and I would like as many in attendance as possible. Stay tuned for more information as we get closer.

As always, if you have any ideas, comments or concerns please let me know.

Yours in comradeship,

Chris DiTullio

State Commander's Message

From the Desk of the
Department Commander
February 2025

Comrades of Post 483,

I was thinking after I read an article in my local newspaper. It was about a new community refrigerator installed in Woodbury Manor, a Portsmouth Housing Authority neighborhood. Why? Because hunger on the rise. According to Feeding America's 2024 "Map the Meal Gap" database reports 135,200 New Hampshire residents were food insecure, in addition to another 179,680 people living in Maine. Between 2021 and 2023, approximately 42,300 New Hampshire households were food insecure, or roughly 7.4% of all state households, according to the New Hampshire Fiscal Policy Institute. Twenty percent of households that are supported by Feeding America include a veteran or someone that has served in the military. In fact, 11.1% of veterans between the ages of 18 and 64 struggle to provide food for their families.

Nearly 95,000 NH residents across all corners of the state face food insecurity every day. This includes seniors unable to access enough food because of limited resources and growing levels of isolation, veterans who are struggling to afford basic needs or individuals and families who are unable to make ends meet. The New Hampshire Food Bank's goal is to improve food security with three specific populations – homebound seniors in Greater Manchester and Greater Nashua, veterans facing homelessness and hardship, and NH residents who work with our Community Services program to improve their overall financial situations.

I have been working in my church's Food Pantry for over 10 years. I know many of you that also do that. The Lee Memorial Post 10676 has been giving to the 3 Food Pantries in our area for as long as I can remember. I encourage your Posts to give to your local Food Pantries. They may support more non-Veterans than Veterans but all need the help.

Hoping this report finds everyone doing well and coping with this stretch of cold weather. It is winter in New England, but we can look forward to spring, and better weather ahead.

Sending out get well wishes to comrade Angelo Ruocco, who is recovering at home, from recent illness and hospital stay. Join me in wishing Angelo, a speedy recovery.

Remember to continue to look out for our neighbors and fellow veterans during this inclement weather. If you are aware of any of our veterans in distress, please advise the post, so that we may render any assistance they may need.

Wishing everyone continued good health and prosperity in the New Year.

JOKE OF THE MONTH

Wife: "How would you describe me?" Husband: "ABCDEFGHIIJK." Wife: "What does that mean?" Husband: "Adorable, beautiful, cute, delightful, elegant, fashionable, gorgeous, and hot." Wife: "Aw, thank you, but what about IJK?" Husband: "I'm just kidding!"

QUOTE OF THE MONTH

Do not mind anything that anyone tells you about anyone else. Judge everyone and everything for yourself.

MIND TWISTER

A man is headed to a mountain along with a lion, a goat, and a basket of vegetables. On the way, he needs to cross a river and the boat can only carry two things at a time. If he takes the vegetables, the lion will eat the goat. If he takes the lion, the goat will eat the vegetables. How does he cross the river?

VETERANS INFORMATION

VFW 2025 Priority Goals: The 119th Congress is now in session. Fortunately, the *Senator Elizabeth Dole 21st Century Veterans Healthcare and Benefits Improvement Act* was passed and signed into law in the final days of the previous Congress. This bipartisan, bicameral legislative package was a significant and long overdue victory for transitioning service members, veterans, caretakers, and survivors. However, there was much unfinished work on other important legislation. The [VFW 2025 Priority Goals](#) include many issues that still need to be addressed. We will continue to advocate diligently to ensure the newly seated Congress provides the resources and care our nation's veterans and their families have earned and

Veterans May Be Eligible for Additional Education Benefits: VA announced that it will begin authorizing additional education benefits resulting from the April 2024 *Rudisill v. McDonough* Supreme Court decision. The court ruled that veterans who served at least two periods of service — one that qualified for the Montgomery GI Bill (MGIB) and another that qualified for the Post-9/11 GI Bill (PGIB) — may be able to receive additional GI Bill benefits up to 48 months instead of the previous limit of 36 months. Prior to the Supreme Court's decision, though eligible for both benefits, beneficiaries using their PGIB benefits had to forfeit using any remaining MGIB benefits, even when eligibility was based on separate periods of service. Additionally, beneficiaries who previously used MGIB had their months of entitlement for PGIB limited to the number of remaining MGIB months of entitlement. Approximately 1,040,000 individuals with at least two periods of service may be impacted by these changes.

VA Establishes Additional Presumptive Service Connections: As of Jan. 2, 2025, VA has established presumptive service connections from exposure to particulate matter 2.5 for urinary bladder, ureter, and related genitourinary cancers. Eligible veterans must have served on active military, naval, air, or space service in Somalia or the Southwest Asia theater of operations on or after Aug. 2, 1990; or in Afghanistan, Syria, Djibouti, Uzbekistan, Egypt, Jordan, Lebanon, or Yemen on or after Sept. 11, 2001. This interim final rule will ease the evidentiary burden for VA disability compensation claimants with these conditions.

Medal of Honor Presented to Army Soldiers: President Biden recognized seven Army soldiers from the Korean and Vietnam Wars, emphasizing their heroic actions that went above and beyond the call of duty. Five soldiers of the Korean War and one soldier from the Vietnam War were posthumously awarded the Medal of Honor for their valor. One Vietnam veteran was presented with the award in person. This recognition is part of an ongoing effort initiated in 2021 by Secretary of Defense Lloyd J. Austin to review military decorations awarded to minority veterans, aiming to ensure that their actions were properly acknowledged.

ANSWER TO BRAIN TWISTER

Trip 1: He takes the goat with him, leaving the lion and the vegetables behind. On reaching the other riverbank, he drops off the goat. Trip 2: He then comes back for the lion, leaving the vegetables behind. On reaching the bank this time, he drops the lion, and again takes the goat along. Trip 3: He drops off the goat again and takes the vegetables with him to the other shore. Trip 4: Lastly, he comes back alone for the goat.

QUARTERMASTER'S CORNER

Recruiting is still very slow. We need to step it up. If we are going to have a shot at All American this year we need to recruit new members. This can only be done if everyone tries to recruit at least 1 new member. Talk to any veteran you may run into and see if they are eligible to join the VFW. If so, get them to fill out an application form. Everyone should carry one with them at all times. There is a application form attached to this newsletter on page 29.

We have been approved by the Lottery Commission to participate in Charitable Gaming again this year. We are just waiting on dates from Gate City Casino.

Post Commander Chris DiTullio® and Jr. Vice Marc Plante (L) with Maria Dominguez and spouse, who won Teacher of the Year for the 6-8 Grades, at the State Scholastic Banquet held on 18 January.

BATTLE OF THE MONTH

Battle of the Java Sea

The Battle of the Java Sea ([Indonesian](#): *Pertempuran Laut Jawa*, [Japanese](#): スラバヤ沖海戦, [romanized](#): *Surabaya oki kaisen*, [lit.](#) 'Surabaya open-sea battle') was a decisive^[2] [naval battle](#) of the [Pacific campaign](#) of [World War II](#).

[Allied](#) navies suffered a disastrous defeat at the hand of the [Imperial Japanese Navy](#) on 27 February 1942 and in secondary actions over successive days, starting when the main [ABDA](#) fleet strike force of 2 heavy cruisers, 3 light cruisers, and 9 destroyers, led by ABDA fleet's main commander, Admiral [Karel Doorman](#), attempted to intercept a Japanese troop convoy in the [Java Sea](#), only to be intercepted by the convoy's better equipped escort force. The battle started off as a stalemate, but the heavy cruiser [Haguro](#) changed the course of the battle when she crippled the heavy cruiser [HMS Exeter](#) with gunfire, then torpedoed and sank the Dutch destroyer [Kortenaer](#), sending Doorman's fleet into a chaotic frenzy. A gunfight between allied and Japanese destroyers then resulted in the sinking of the [HMS Electra](#), before Doorman's force made a false retreat, ending the daylight engagement.

However, under the cover of night, Admiral Doorman's ships attempted another attack, during which the destroyer [HMS Jupiter](#) accidentally hit a Dutch mine and sank, but the Japanese immediately caught on to their plan, prompting the [Haguro](#) and her sistership [Nachi](#) to ambush the allied fleet with a stealthy long range torpedo attack. One of [Nachi's](#) torpedoes hit the Dutch light cruiser [Java](#), which was instantly blown apart and sank with almost all hands. One of [Haguro's](#) torpedoes then hit the allied flagship, the Dutch light cruiser [De](#)

The aftermath of the battle included several smaller actions around Java, including the smaller but also significant [Battle of Sunda Strait](#), which saw the sinking of the heavy cruiser [USS Houston](#), the light cruiser [HMAS Perth](#), and the destroyer [HNLMS Evertsen](#), and the [second battle of the Java Sea](#), where the still crippled [Exeter](#) and her escorting destroyers were sunk by a Japanese cruiser destroyer squadron, including [Haguro](#). These defeats led to the dissolution of the ABDA fleet as a whole, the scuttling of the Dutch

MORE FACTS ABOUT THE VFW

About the VFW

We trace our roots back to 1899 when veterans of the Spanish-American War (1898) and the Philippine Insurrection (1899-1902) founded local organizations to secure rights and benefits for their service. Many arrived home wounded or sick. There was no medical care or veterans' pension for them, and they were left to care for themselves. In their misery, some of these veterans banded together and formed organizations that would eventually band together and become known as the Veterans of Foreign Wars of the United States.

Our Mission: To foster camaraderie among United States veterans of overseas conflicts. To serve our veterans, the military and our communities. To advocate on behalf of all veterans.

Our Vision: Ensure that veterans are respected for their service, always receive their earned entitlements, and are recognized for the sacrifices they and their loved ones have made on behalf of this great country.
